# Treating Chronic Constipation with 5 Element Patterns

### What the Course accomplishes:

- It explains chronic constipation as 5-element patterns, with definite signs & symptoms, and treatments.
- Teaches anatomical aspects of the colon, the foods which cause constipation, and those which promote healing, all with their elemental profiles.
- Discusses in detail the elemental pattern which causes the most dangerous cases of chronic constipation. Includes treatment.
- Refers to and explain all aspects of lifestyle, diet, physical and emotional activity which contributes to this widespread condition.

### What is the format of the course?

It is an images-intensive workbook which uses photos and diagrams to make learning easy. The flow is smooth and will not tax you as text-only course would.

### How will the course reach you?

It is downloaded by email to save time and trees. If you choose the paper option it is sent by USPS Priority with Shipping Free.

### When does the email download arrive?

Within hours of the time you order. If you are working with a deadline this is the best course for you.

### What is the total cost to you?

Exactly \$159.99, with nothing more to pay.

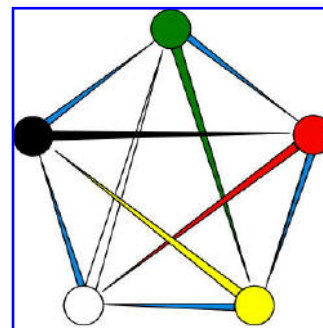

### Where is the course approved?

The course earns 15 credits by distance learning with NCCAOM.

It also approved for 15 credits in AK AR DC DE GA ID IN MA MD ME MI MN MT NC NH NJ NM OH PA RI SC VA WI etc

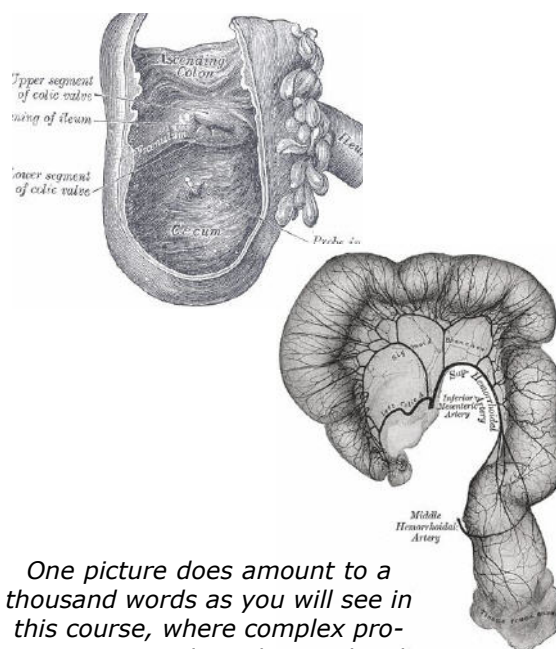

AZ recognizes credits earned with NCCAOM.

### You learn with easy color coded diagrams

*5-element aspects taught on color-coded charts which are easy to follow. Previous knowledge of 5-element work is not necessary, the course is self contained.*

### Fine imagery from Gray's Anatomy

*One picture does amount to a thousand words as you will see in this course, where complex processes are easily understood with fine images*

## A Preview - page 2

### Is it true the course includes **scar pathology** & how these cause constipation?

Indeed, you learn how scars interrupt the Qi flow of critical channels which have much to do with the workings of the elements which figure in constipation.

### How are credits earned?

- You go over the course by a pace which is comfortable to you. Most students like to complete this over a dedicated weekend.
- Next you take the easy 10 question Quiz which was sent to you during the course download, or by mail if you took the paper version. The questions are straightforward and strictly from the workbook. There are no twisters. You can look forward to simple and clear questions which are easily answered.
- When complete you either mail in the Quiz or email in the answers.
- We assess and send back the earned credits by email, or by mail as you prefer.

### Are there resources you can reach after the order in case you have a question?

If your question regards delivery of the course you can call toll free **1.888.878.7353**.

If your question regards coursework, Quiz, the emails, the credits, you can email Vera Kaikobad and expect quick and friendly help. Her email is: [verakaikobad@aol.com](mailto:verakaikobad@aol.com)

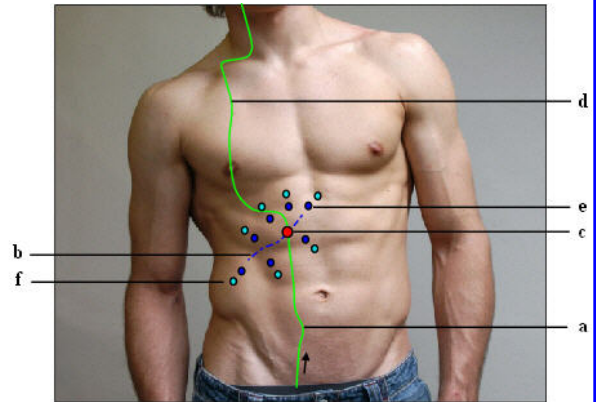

### How to order the course?

You can order online once you return to the web page.

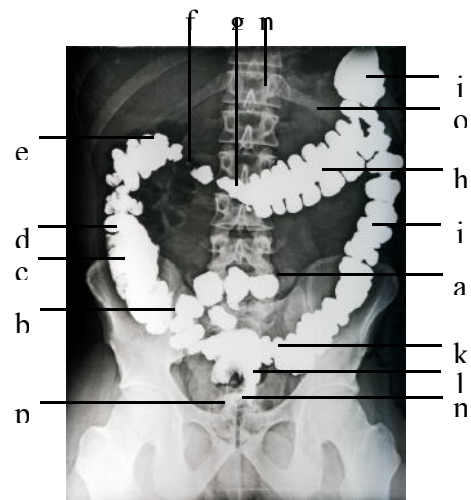

Or you can call toll free **1.888.878.7353** and place your order there.

### You learn with easy color coded diagrams

*Post surgical scars when they obstruct channels can easily cause chronic constipation. The course classifies scars and offers a treatment protocol on how to deal with these.*

### Fine imagery from Gray's Anatomy

*The course includes an X-Ray of the abdomen with Barium contrast medium and a detailed explanation of the pathology seen sectors by sector.*
